[www.alvironorganics.in](http://www.alvironorganics.in)

Farming is foundation of every Nation and access of nutrition, shelter and cloths are basic needs and rights for every human being. India is a growing nation and demands of good quality, nutrition rich food is increasing constantly. To maintain good farming practice in all sectors like Dairy, Cattle farming, Modern Agriculture, Poultry, Goatery, Piggery, Fisheries/Aquaculture and other animal husbandries, ensures food safety and nutritional fulfillment of high demanding breeds, nutrient/feed supplementation with various herbal and purified molecular combination is necessary. High performing crops, birds, animals and fishes needs extra nutritional support and proper management to give best yield and produce. With proper nutrient management, these ventures resulting more profitable and sustainable to the farmers. Farmers are constantly being targeted adversely by various factors and misguided by many, that leads to financial loss, lack of interest of doing advance cultivation and farming practice. To overcome this crisis, we at ALVIRON ORGANICS constantly working to bring new Processing units, technology enriched formulation and advance innovative practice to ensures growth, success, sustainability, betterment and happy life, of everyone connected to us.

# INTRODUCTION

Introducing ALVIRON ORGANICS PVT LTD: Revolutionizing Sustainable Agriculture through various Agro-inputs. Welcome to ALVIRON ORGANICS PVT LTD, a pioneering leader in sustainable agriculture and a catalyst for positive change in the farming industry. With our unwavering commitment to innovation, technology, and environmental stewardship, we are reshaping the way food is grown and transforming agricultural practices worldwide. At ALVIRON ORGANICS PVT LTD, we recognize the pressing challenges facing the National as well as Global food system. Rapid population growth, climate change, and depleting natural resources demand a new approach to farming—one that ensures food security, reduces environmental impact, and promotes the well-being of both farmers and consumers. Our mission is to address these challenges head-on by developing cutting-edge solutions that empower farmers and revolutionize the agriculture sector. Our core pillars of excellence lie in sustainability, technology, and collaboration. We firmly believe that sustainable agriculture through Organic and Natural inputs are the key to a prosperous future, and we strive to integrate environmentally friendly practices into every aspect of our operations. By championing regenerative farming techniques, precision agriculture, and resource-efficient systems, we are committed to preserving our planet for generations to come. Harnessing the power of technology is at the heart of our operations. We leverage state-of-the-art tools, data analytics, and artificial intelligence to optimize crop yields, minimize resource usage, and enhance farming efficiency. From advanced monitoring systems and automated irrigation to smart pest management solutions, our innovative technologies empower farmers to make data-driven decisions and maximize their productivity while reducing their ecological footprint. At ALVIRON ORGANICS PVT LTD, we firmly believe that collaboration is essential for driving meaningful change in the agricultural landscape. We work closely with farmers, researchers, NGOs, and Governmental Organizations to foster knowledge sharing, promote sustainable practices, and create a global network of like-minded individuals dedicated to shaping a sustainable future. By embracing open dialogue and collaborative partnerships, we aim to create a powerful ripple effect that transforms the industry from within. Our comprehensive range of products and services includes cutting-edge agrochemicals, organic fertilizers, precision farming equipment, and tailored consultancy services. Whether you are a small-scale farmer seeking to optimize your crop yield or a large agricultural enterprise looking to implement sustainable practices across your operations, ALVIRON ORGANICS PVT LTD has the expertise and solutions to meet your unique needs. Join us on our mission to build a more sustainable and resilient future for agriculture. Together, we can redefine farming practices, protect our environment, and ensure a bountiful harvest for generations to come. Explore ALVIRON ORGANICS PVT LTD and unlock the power of sustainable agriculture today.

# COMPANY VISION

At ALVIRON ORGANICS PVT LTD, our vision is to lead the way in transforming agriculture into a sustainable and regenerative system. We envision a future where farmers are empowered with advanced technologies, sustainable practices are the norm, and the global food system is resilient, environmentally friendly, and capable of nourishing a growing population. We aspire to be the catalyst for change, inspiring and guiding the agricultural industry towards a more sustainable and prosperous future.

# ALVIRON ORGANICS PVT LTD VALUES

**1. Sustainability:** We prioritize the long-term health of the planet, developing and promoting agricultural practices that preserve natural resources, reduce greenhouse gas emissions, and protect biodiversity. We are committed to regenerative farming methods that restore soil health, promote water conservation, and minimize waste. **2. Innovation:** We embrace cutting-edge technologies, data analytics, and artificial intelligence to drive innovation in agriculture. By constantly pushing the boundaries of what is possible, we aim to revolutionize farming techniques, optimize yields, and enhance efficiency while reducing environmental impact. **3. Collaboration:** We believe in the power of collaboration and partnership. We actively engage with farmers, researchers, NGOs, governmental organizations, and industry stakeholders to share knowledge, exchange ideas, and collectively address the challenges facing agriculture. By fostering collaboration, we strive to create a global network of like-minded individuals working towards a common goal of sustainable agriculture. **4. Farmer-Centric Approach:** We prioritize the well-being and prosperity of farmers. Our solutions are designed to empower farmers with knowledge, tools, and resources that enable them to achieve higher yields, improve profitability, and enhance their livelihoods. We are dedicated to supporting farmers in their transition to sustainable practices and ensuring their success. **5. Food Security:** We recognize the importance of food security in a rapidly growing world. Our mission is to contribute to a reliable and resilient food system by promoting sustainable farming practices that increase productivity, enhance crop quality, and minimize post-harvest losses. We aim to ensure that people around the world have access to safe, nutritious, and affordable food. **6. Ethical Business Practices:** We conduct our business with integrity, transparency, and accountability. We adhere to high ethical standards in our operations, supply chain management, and interactions with stakeholders. We prioritize the well-being of our employees, promote fair trade practices, and strive to create a positive impact on the communities in which we operate. Together, these values guide our actions, decisions, and partnerships as we work towards our mission of transforming agriculture into a sustainable and regenerative system that nourishes both People and the Planet EARTH

1

**Retail Bonus**

2

**Matching Bonus**

3

**Level Sponsor Bonus**

4

**Product Bonus**

5

**Repurchase Bonus**

6

**Franchise Bonus**

7

**Promotional Rank  
Bonus**

8

**Royalty Club Bonus**

9

**Reward Bonus**

# 1. ALVIRON RETAIL BONUS

[www.alvironorganics.in](http://www.alvironorganics.in)

Selling Alviron Organics Products directly to the customers is the first step to success and building a solid foundation for your business. Retail Selling is the surest method of earning immediate income even as you build a long term business and satisfied customers. Retail profit is the margin between the prices at which the Alviron Organics Distributors purchase the products (Distributor Price / DP) and the price at which these products are sold (Maximum Retail Price / MRP). Independent Distributors in Alviron Organics Plan can earn Retail profit up to 30% on MRP of the products. **INCOME DESCRIPTION RETAIL PROFIT** or Example: Every product in the Alviron Organics portfolio has a MRP & Distributor Price (DP). If a product has a MRP of Rs. 1100/-. Alviron Organics Distributors can purchase the same product on DP which is Rs. 750/- and may resell the same product on MRP and earn Rs. 350/- (up to 30% profit) on reselling the product.

**For Example:** Every product in the Sun Edge portfolio has a MRP & Distributor Price (DP). If a product has a MRP of Rs. 1100/-. Alvion Organic Independent Distributors can purchase the same product on DP which is Rs. 750/- and may resell the same product on MRP and earn Rs. 350/- (i.e 30% Bonus) on reselling the product.

**MRP - DP = Retail**

**Profit MRP= 1100 DP= 750 Retail**

**Profit= 1100 - 750= 350/-**

**30% Retail Profit**

## NOTES

- DP is referred as Distributor Price
- MRP is referred as Maximum Retail Price
- Retail Bonus is not calculated and paid by the company.
- Company reserves the right to further give discount on any product below DP.
